**August 15 – 17, 2018
Kansas City, MO**

Approximately 1000 law enforcement officers, mental health providers and advocates from across the U.S., Canada, Europe and Australia will be attending the 2018 CIT International Conference in Kansas City.

What is CIT? The Crisis Intervention Team (CIT) Model is a solution focused community response to helping people living with mental illness. CIT programs bring stakeholders together from the law enforcement, behavioral health and advocacy sectors, along with people with lived experience with mental illness, to develop solutions for safely re-directing people in crisis away from the judicial system and into the health care system whenever appropriate.
